 - a. Scores for Transfer First Gen Prof Development Fund are [here](#)
 - i. Breadth: Asked for funding again to keep retention
 - ii. Value: cost is a lot for one student
 1. \$300 is excessive, and the cap amount is small → exclusive
 - iii. Depth: important and valuable for first-gen students

1. Articles they're referring to are outdated
 2. What professional development is there for non-STEM majors?
 - b. Art proposals must be in high interest of students and visible frequently
 - c. Training Contract with Student Success Program (SSP)
 - i. Breadth and Value were ranked high, Depth and Equity were lower
 - ii. Depth: train staff members and pay them but not innovative and ambiguous on the training process
 1. Not that much transparency + outdated
 - d. Students Affairs Resource Fair: have various organizations + clubs as resources
 - i.
6. Referendum Presented by John Hughes
- a. Student Experience Initiative:
 - i. Growing demand for UCSD community centers, student orgs, transit + mobility, modern facilities to support student activation
