UC San Diego 2008 All Campus Graduation Celebration Outstanding Senior & Graduate Student Awards

Background:

In its inaugural year, the annual Outstanding Senior Award and Outstanding Graduate Student Award will be presented to a graduating undergraduate student and graduating graduate student who have earned recognition in the UC San Diego community for their outstanding academic and leadership performance and for enhancing the student experience at UC San Diego; high academic performance and participation in student organizations will be important, but the primary purpose of the awards is to honor two students who have earned the admiration of the UC San Diego community for exceptional contributions to university life and who have generously served the university.

The recipients of the Outstanding Senior and Outstanding Graduate Student awards will each receive \$1,000, a lifetime membership to the UC San Diego Alumni Association, and be publicly recognized amongst their peers at the All Campus Graduation Celebration on June 19, 2008, featuring keynote speaker Robert F. Kennedy, Jr.
