This assessment project is linked to the weekly student council meetings at each of the six colleges. Each week, student council meets at their respective colleges to discuss pertinent issues that directly impact their student community.

Assessment Project Description

The main purpose of the assessment project is to assess the leadership skills students gain during their year involvement with their college council.

Unit/Program Specific Goals and Learning Outcomes

As a result of participating in College Student Council and measured by quantitative and qualitative surveys, students will be able to:

- Identify and Describe the purpose of the individual college student councils
- Translate three skills gained from council involvement which can be added to their professional resume
- Define the process of ethical decision making
- Increase comfort in public speaking to diverse groups
- Express five steps to successfully programming an event
