SFAC Town Hall – October 14 from 1-3 in the Red Shoe Room

1. Red Shoe Room – inside Sun God Lounge, next to Shogun, above Price Theatre
2. First time hosting a town hall, idea modeled after other UC’s
3. Usually, we only get student input from our councils and respective constituencies
   a. Hoping to get the perspective of people that don’t necessarily go to a council meeting or aren’t as involved
   b. Getting a broader idea of what student needs and priorities might be by having a bigger audience
4. Budgeted for roughly 50 people
5. Primary way of getting this form of student input, hoping to make this an annual thing
6. Rough structure/outline
   a. Introduction to SFAC presentation
   b. Open floor to see what kind of input we can get
   c. Guiding questions that will hopefully give students a better sense of what questions to ask

Setting up Constituency Presentations

1. Establish a presentation for our constituencies and get on the agenda by Week 2’s meeting
2. Getting feedback as a sort of guideline for how to approach this upcoming year
3. Concern of freshmen not having enough time to develop an opinion
   a. Focus our efforts on second years and above, councils are generally older

Review of Spring and Summer Quarter CSF Meetings

1. Spring
   a. UC Merced
   b. University of California Student Association – student lobbying group for undergraduates and graduates
      i. Works with CSF on lobbying efforts at a higher level
      ii. Implementing a new system wide fee to support UCSA and its advocacy for CSF
         1. $6 per student per year
c. Discussed the Funding Stream Campaign, Data Acquisition Campaign, and the Referenda Campaign (Standing Policy 8)
d. Finalized campaigns for the year

2. Summer
   a. UC Irvine
   b. Introductory material
   c. Funding Stream Assessment campaign
      i. Expand it to look at the implementation of the mental health fee
      ii. See where consistencies are, issues, etc.
   d. Best Practices Campaign
      i. Internal improvement
   e. Outreach Campaign
      i. Look at the best practices of reaching out, both in terms of new membership and student input
