Members of VCSA Leadership Team prioritize objectives for one to two year range.

Five teams of up to six members inside and outside the division identify actions by goal areas to support objectives. Advisors also recommend actions leads.

Selected by Goal Action Advisors, leads determine the best manner to carry out actions. Lead(s) also create/facilitate implementation teams.

Identified by Action Lead(s), these teams implement the action.

Action Lead(s) will provide Strategic Plan Co-Chairs, Leadership Team, and Action Advisors progress updates at 6, 12, and 18 months.
