Bad & Better Activity

Bad: Students will learn how to create a monthly spending plan.

Better:

Bad: Staff will teach students the meaning of implicit bias.

Better:

Bad: Student will understand SAT prep strategies.

Better:

Write & Reflect Activity

1.) What is the most important concept you learned today? How will you apply this concept to your current assessment project(s)?

2.) What is the difference between assessment and evaluation? (can be brief 😊)
