---

Accelerating Cross Species Movement 21st Century
Early Events

- **Huanan Seafood Market closed**
- **Dr. Z reported unusual pneumonia to Jianghan CDC**
- **An Epidemiological Alert raised by the local health authority, NHIC & China CDC involved in the investigation**
- **WHO & other countries informed**
- **SARS-CoV-2 identified**
- **SARS-CoV-2 sequences shared with WHO etc.**
- **1st PCR test kits sent to Wuhan**
- **COVID-19 added to notifiable diseases**
- **Wuhan City “shut down”**
- **15 other cities “shut down”**

**Timeline:**
- **December 2019**
  - 4 days: Suspect → Confirm
  - 7 days: Identify pathogen
  - 4 days: Develop test kits
- **January 2020**

UC San Diego
Geo-Temporal Spread of COVID-19 in China (Retrospectively)

By symptom onset date and reporting province

A December 31, 2019
14 countries in 1 province

B January 10, 2020
113 countries in 20 provinces

C January 20, 2020
427 countries in 30 provinces

D January 31, 2020
1,316 countries in 31 provinces

E February 12, 2020
1,005 countries in 31 provinces

No. of confirmed cases

- ≤50
- ≤100
- ≤300
- ≤500
- ≤1,000
- >1,000
- No data

China CDC Weekly 2020; 2:113-122
Common Symptoms of COVID-19 in China

Fever, Dry cough, Fatigue, Expectorant, Headache, Muscle ache, Sore throat, Chest tightness, Chill

Proportion of cases (%)

Mild, Severe, Critical

19,230 Confirmed cases with detailed epidemiological investigation information
China CDC/NHC 2020
Clinical Prognosis and Recovery

Aylward B et al, WHO-China Mission, 2020
Age Distribution and Case Fatality Rate COVID-19
China through 11-Feb-2020 (N = 44,672 confirmed cases)

adapted from Zhang 2020, China CDC Weekly Rep; 2(8):113-122.
Measures in Numbers

Nationwide:
≈1.4 billion people underwent 10 days of at-home isolation

Hubei:
≈59.2 million people were subjected to cordon sanitaire
>50,000 hospital beds were opened for COVID-19 patients (including 3 new hospitals + 16 temporary module hospitals)
>40,000 healthcare workers were deployed to Hubei
COVID-19 in China (as of Mar 1, 2020)

China CDC/NHC 2020
Ending the Epidemic

- A safe and effective vaccine
  - Challenges: Viral variation and immune recognition as a function of age
- Effective Drugs
  - Some hope here
- Herd Immunity
  - Not a good strategy in terms of averting morbidity and mortality
- Social Distancing
  - Blunts the peak of the epidemic
  - Gives us more time for drugs and vaccines
# of cases

Without Protective Measures

With Protective Measures

Healthcare system capacity

Time since first case

Adapted from CDC / The Economist
Campus efforts to prepare and plan:

- In line with CDC guidelines, campus is taking measures to protect the campus community
  - Remote instruction through end of Spring Quarter 2020
  - Postpone or cancel face-to-face interactions or large gatherings of more than 100 people
  - Nonessential travel restrictions to CDC Level 2 & Level 3 countries

UC San Diego - Student Support - COVID-19

• Staying Connected, Healthy and Calm
• Principles of Community
• Student Health and Well-Being Resources
• Basic Needs Resources
• Communication Efforts
UC San Diego Principles of Community

We want to remind everyone that first and foremost, we are a community that cares and the Principles of Community serve as the foundation of our relationships to one another must continue to be held up in the highest regard.
If you do not have consistent access to the technology needed to fully access remote instruction options, please email VCSA@ucsd.edu and we will work with our Laptop Lending Program and you directly.

Need Support for Remote Instruction?
Send an email to VCSA@ucsd.edu and we will work with you to develop solutions.
Undergraduate Students: The undergraduate college Deans of Student Affairs are available to provide personalized support and assistance

Revelle College – Sherry Mallory, 858-534-3492 or slmallory@ucsd.edu
John Muir College – Jason Thibodeaux, 858-534-3587 or jasonjt@ucsd.edu
Thurgood Marshall College – Amber Vlasnik, 858-534-7395 or avlasnik@ucsd.edu
Earl Warren College – Kafele Khalfani, 858-534-6171 or kafele@ucsd.edu
Eleanor Roosevelt College – Patricia Scott, 858-534-5657 or plscott@ucsd.edu
Sixth College – Diane LeGree, 858-822-5953 or ddegree@ucsd.edu

Your Associated Students President Eleanor Grudin (aspresident@ucsd.edu) and Vice-President of Campus Affairs Melina Reynoso (asvpcampusaffairs@ucsd.edu)

Academic Department Student Affairs Officers
Academic Advising Professionals
**Graduate Students:**
The Assistant Dean of Student Affairs in the Graduate Division - April Bjornsen - is available at 858-822-5953 or abjornsen@ucsd.edu
Your Graduate Student Association President Rachel Flanagan (president@gsa.ucsd.edu)
Communication

Sign Up for Triton Alerts
We will be using multiple methods for communicating with you, including Triton Alerts. If you haven’t already done so, consider signing up for Triton Alerts: https://blink.ucsd.edu/safety/emergencies/campuswide/notifications/faq.html.

Campus Website
https://coronavirus.ucsd.edu/
Student Health Services remains open with all services at this time. If you have fever and respiratory symptoms such as cough/difficulty breathing, please call SHS first at 858-534-3300 or contact Advice Nurse through MyStudentChart.
Testing for SARVS CoV-2 (the virus that causes COVID-19)

Currently this test is done only for high risk patients under the guidance of SD County Public Health (SDPHD) and UC San Diego Health. This is being ordered on a case by case basis.
Prescriptions

We are asking students what their plans are and will provide a 2 month supply of prescription if needed. UC SHIP is allowing prescriptions for a 2 month supply (cover the rest of this quarter and for the beginning of next quarter.)
Referrals

Students with UCSHIP will still need referrals from SHS if they are going to see a primary care provider or specialist near their home, in order to get the visit covered by UCSHIP. Our providers can e-write these referrals but need 24-48 hour notice. Student can contact their PCP via MyStudentChart or call SHS Insurance at 858-534-2124 to request a referral.
If patients wish to obtain a copy of their results, they can submit a Medical Record Request through MyStudentChart. This request can be found after selecting Medical Records under the Health Tab. Medical Records has the ability to send the results via MyStudentChart within 1-3 days. This will save the patient a trip into the clinic.
Live Health On-Line

This telemedicine option is covered by SHIP. Students can use this to access non-emergent medical and mental health care. Students can access this through our UCSD Website https://wellness.ucsd.edu/studenthealth/services/Pages/Online-Visits.aspx or go to livehealthonline.com
If Students Need Medical Guidance

Please have them message the Advice Nurses through MyStudentChart or call 858-534-3300. There is NO charge for nurse advice. It is free to all students regardless of insurance. Also the phone number can be used to call for advice when SHS is closed.
Basic Needs

- **Basic Needs Online Support**
  - Students Complete [Basic Needs Assistance Form](#) online.
- **Questions or Quick Fix?**
  - Email [basicneeds@ucsd.edu](mailto:basisneeds@ucsd.edu) or Call 1-858-246-2632
  - Stop by [The Basic Needs Center](#) or [Triton Food Pantry](#)
  - Emergency Meals and Emergency Groceries
  - Personal Care Products
    - Toothbrushes/Toothpaste, Soap, Razors, Deodorant, Lotion, Laundry detergent pods, Hair care products for a spectrum of hair types
    - Feminine Hygiene Products, Diapers and Baby Wipes
  - We follow all proper food safety protocols and cleaning for refreshments offered in our center.
- **Grocery Shuttle**: 3/21 & 3/26 from 12pm-7:30pm
- **Basic Needs Hub and Pantry** will have modified hours open Finals Week, Spring Break, and Spring Quarter.
Student Organization Events

- Strongly recommending cancellation or postponement for events over 100 and group visits greater than 15
- No allocations of AS/Triton Community Funding for events over 100
- If students choose to host event, should follow CDC prevention strategies, (hand sanitization stations and physical distancing)
- No future funding for student travel during this period
- Student organization advisors available to assist
Student Life Programming for Students

- Exploring alternative, virtual options for student programming (leadership programs, student trainings, remote community service projects)
- Our University Centers remain open and accessible for students including all restaurants.
Support for International Students

- ISPO Office Hours & Contact Information
- International Students & Programs Office
- Office hours: Monday-Friday. 9:00am-4:00pm
- Student Center B (located on the corner of Gilman Drive and Mandeville Lane)
- Email: iStudents@ucsd.edu
- Website: iStudents.ucsd.edu
Support for International Students

• **Travel Considerations**
  • If you stay in the U.S and are enrolled in Spring 2020 term, your SEVIS record will remain active
  • If you return home and are enrolled in Spring 2020 term, your SEVIS record will remain active
  • If you return home and are NOT enrolled in Spring 2020 term, your SEVIS record will end with authorized early withdrawal.
