Global Education

Academic Mobility Programs (Learning)

Providing Department:
Global Education

Responsible Roles:

Unit Goal Description:

Continue to develop academic mobility programs, including Global Exchange, Embedded Study Abroad, and UC San Diego-specific UCEAP programs through the first-round solicitation of faculty proposals through the newly-launched online portals.

Metric 1:

Develop and secure Academic Senate approval for six new academic mobility programs in 2018-2019 to reach a total of 15 Global Exchange and Embedded Study Abroad Programs.

Result 1:

Metric 2:

Result 2:

Metric 3:

Result 3:

Metric 4:

Result 4:

Data Collection/Retrieval:

Student Exchange Agreements and Agreement addenda, Academic Senate proposals and approvals

Fulbright Work Group (Learning, Community Building)

Providing Department:
Global Education

Responsible Roles:

Unit Goal Description:
Continue quarterly meetings with the Fulbright programs work group comprised of representation from the Graduate Division, IFSO, ISPO, the Dean’s Office, Study Abroad and Academic Enrichment Programs. This work group will holistically support campus participation in the Fulbright program for students, scholars and faculty through information dissemination, application preparation and submission, and liaison with the Institute of International Education in New York and the Office of Academic Programs at the U.S. Department of State in Washington, D.C.

Metric 1:
Increase UC San Diego student, staff, faculty and scholar Fulbright grant applications by 15%, from 26 to 30.

Result 1:

Metric 2:
Maintain 50% yield benchmark set during the recruitment cycles during the past two academic years (66.6% yield rate on offers of admission during 2018 admissions cycle, 52% yield rate on offers of admission during 2017 admissions cycle, up from 14% in 2016).

Result 2:

Metric 3:
Launch Fulbright.ucsd.edu website to ensure information is readily available to all student, faculty and staff applicants and all inbound student and scholar Fulbright grantees.

Result 3:

Metric 4:

Result 4:

Data Collection/Retrieval:

Track applications, host events, count participation, live website.

Increase URM students participating (Learning)

Providing Department:

Global Education

Responsible Roles:

Unit Goal Description:

Increase the number of Underrepresented Minority (URM) students participating in UCEAP, Global Exchange, Embedded Study Abroad or Global Seminar Programs.

Metric 1:

Increase URM participation in study abroad programs by 2% from 35% (329 of 941 students in 2017-18) to 37% in 2018.
Result 1:

Metric 2:

Develop three (3) scholarships in the amount of $850 - $1000 available for LatinX students participating in a Global Seminar program to address gaps in program costs between programs based in Spanish and Portuguese speaking countries and other programs.

Sponsored Student Services Program (Recruitment & Yield)

Providing Department:

Global Education

Responsible Roles:
Unit Goal Description:

Continue to diversify the international graduate student population through active recruitment of sponsored students through outreach and negotiations with sponsoring organizations and governmental entities. Regional focus for sponsored programs development will continue to be South America and Southeast Asia in the near term, with expansion to other select regions of the world. These efforts will build upon the 24% growth in the sponsored student population since the Sponsored Student Services Program was launched in 2015.

Metric 1:

Expand enrollment of sponsored students by 15%, from 189 to 217 students.

Result 1:

Metric 2:

Complete on-site negotiations for institutional agreements with the governments of Chile, Peru, Argentina, and Panama leading to a minimum of two binding agreements.

Result 2:

Metric 3:

Result 3:

Metric 4:

Result 4:

Data Collection/Retrieval:

Availability of budgetary resources from EVC, Week 3 enrollment data, Collaboration Agreements

UC-Mexico Initiative (Recruitment & Yield)

Providing Department:

Global Education

Responsible Roles:

Unit Goal Description:

Work in closer alignment with UC-Mexico Initiative to support the UCOP and UC San Diego strategic focus on educational engagement with Mexico.

Metric 1:

Secure placements for five (5) additional students in the current International Summer Research Program (ISRP) cohort of 30 students in partnership with the UC-Mexico Initiative MSRIP-México (eight week mentored summer research intensive program) and funded by COMEXUS, the Fulbright-García Robles Commission in Mexico.

Result 1:

Metric 2:

Host co-sponsored UC-Mexico Initiative and COMEXUS annual meeting on the UC San Diego campus.

Result 2:

Metric 3:

Result 3:

Metric 4:

Result 4:

Data Collection/Retrieval:

Track ISRP placements, host meeting
